The City of Taylorsville will submit to the Department of Housing and Urban Development (HUD) the Amended Annual Action Plan for PY 2015, 2016, 2017, 2018, and 2019 CDBG projects and funding. The City intends to reallocate approximately \$758,694.52 to improve the viability of the Carriage Square Shopping Center located at 4166 S. 1785 W. through updated signage, parking area design and resurfacing, and building façade improvements. These funds come from HUD under Title I of the Housing and Community Development Act of 1974, as amended. These funds are to be used for carrying out one of the three national objectives: benefit to low and moderate-income families, aid in the prevention or elimination of slums or blight, or meet other community development needs having a particular urgency.

Proposed Action Plan and Community Development Objectives: The primary national objective of the CDBG program is the development of a viable urban community by providing decent housing and a suitable living environment by expanding local economic opportunities for the low- and moderate-income residents of the community. Taylorsville receives an annual entitlement of CDBG funds to plan and promote this primary national objective.

A public hearing was held where public comment was accepted regarding the Amended Annual Action Plan for PY 2015, 2016, 2017, 2018, and 2019 on **June 16, 2021.**
